- Quantitative Research (Experimental and Mixed-method)

BRIEF DESCRIPTION

Dr. Roslee Ahmad has been working at Universiti Sains Islam Malaysia from Feb 2017 until present. He teaches philosophy and ethics in counseling, workplace counseling and management counseling for undergraduate and testing and measurement in counseling for post-graduate levels. He previously lectured at UTM, Skudai for 16 years since 2001. He has authored more than 60 articles in seminars, proceedings and conferences locally and abroad, published SCOPUS and ISI journals and has published 7 books. He also received grants as principal investigator from the Ministry of Higher Education Malaysia and internal grants from UTM and USIM. Based on his expertise in counseling, he has been appointed MQA panel assessor from (2012 to 2021), monitor panel of the Malaysian Counselor Board (2015-2017) and panel reviewer for SPRINGER's journal from 2017 until present. He also had produced an early prevention inventory for children to identify symptom of sexual misbehavior (gay/lesbian).
