## BRIEF DESCRIPTION

Dr. Noratthiah is the lecturer in Counseling Program of Faculty of Leadership and Management since 2021. Her primary interest is couple counseling and relationship studies. The interest bloomed during her master's degree internship when she found that helping couples dealt with their marital issues and conflicts was such a rewarding experience. She also a registered and licensed counselor in Malaysia since 2013. Her hobby is trying new healthy recipes such as kombucha drink and sourdough bread.
